Official Shadows of Centralis Miniatures

A unique fusion of fantasy, science fiction and horror, using D10's and D6's, while measurements are made in inches, Shadows of Centralis is a dynamic 28mm-scale tabletop wargame. Built upon old school gaming mechanics, while bringing a range of innovative features, allowing for both small-scale skirmishes and mass warfare, Shadows of Centralis has a selection of eighteen different playable factions to choose from.

**Damned - Dwarfs - Elves - Fiends - Followers of the Eye - Giants
Goblins - Hag Elves - Konstrato Empire - Lords - Ogres - Orcs
Order of Ophelia - Samurai - Servants of Extinction - Trolls
Undead - Yalif**

Included within this brochure are just a handful of the many official Shadows of Centralis 28mm all-metal miniatures available exclusively via RPE Miniatures & Games. New additions to this exciting range are added to the RPE Miniatures & Games website every month. To see the full selection of models currently available, visit **RPE Miniatures & Games**.

Exceptional quality and crisply cast, RPE Miniatures & Games' models are full of character and superbly detailed, making them a pleasure to paint.
